Completed absentee ballots must be returned to the Person County Board of Elections by 5:00 p.m. on Election Day (ballots received by mail after this time will be timely if received within three business days and postmarked by Election Day). Voters may receive assistance voting a mail-in absentee ballot from a qualified person of their choice. If the voter lives in a facility such as a nursing home, and the voter's near relative or legal guardian is not available, the voter or the facility can arrange to have the county board of elections schedule a visit by a Multipartisan Assistance Team to provide assistance and serve as witnesses.

All persons who are registered to vote with the Person County Board of Elections may vote in this election. Persons who are not already registered to vote in the county must register by Friday, April 13 to be eligible to vote in this election. Voters who are not registered in the county by that deadline may register and vote during one stop early voting only, and will be required to provide documentation of their identity and residency. Voters who wish to change their party affiliation or who have had a change of name or address must update their information by the April 13 registration deadline. Voters who fail to timely make a change in name or address in the county must update their information when presenting to vote, and may be required to vote a provisional ballot.

Voters voting in person are entitled to assistance by an election official, or, if assistance is needed due to disability or illiteracy, by a qualified person of their choice. Voting sites are accessible to all voters. Curbside voting is available for voters who are not able to enter voting sites.

Persons with questions about registration, polling places, early voting, absentee ballots, a Multipartisan Assistance Team visit to a facility, or other election matters may call the Person County Board of Elections Office at 336-597-1727.
